Advertisement for Senior Research Fellow (SRF) - (1)

Applications are invited for a post of a Senior Research Fellow (SRF) in a CCRAS (Central Council for Research in Ayurvedic Sciences) funded Project entitled: **"Plant Diversity Database of Selected Plant Species used in the Ayurveda of RARI, Pune Medicinal Plants Garden"** at School of Biotechnology, JNU. The selected candidate will be appointed purely on temporary basis, for a period of six months as SRF.

Position: Senior Research Fellow (1)

Essential Qualifications & Experience: Candidate must have Masters degree (with minimum 60% marks or higher) in Biotechnology/Biochemistry/Biomedical Sciences/bioinformatics with CSIR-UGC NET and minimum two years of research experience.

Desirable: Research experience in next generation sequencing data analysis, basic plant molecular biology and plant tissue culture is desirable. Consistently good academic record and publications would be a plus.

Salary: Rs. 35,000 per month + HRA p.m. as per rules.

Appointment will be purely on temporary basis for six months and co-terminus with the project. The eligible candidates may further be shortlisted based on qualifications/experience depending on the number of applications received. Shortlisted candidates will be informed by email about the interview date and time.

How to Apply: Interested candidates may send their application along with CV, attested copies of the relevant educational qualification and experience certificates via email to mksharma@jnu.ac.in, with the subject marked as **"361-SRF-24"**. Performa of the application is attached with the advertisement.

Application Deadline: Application will be accepted **till March 27, 2022**.

Note:

1. Incomplete applications will be rejected, and any further request will not be entertained.
2. Only shortlisted candidates will be communicated to appear in the interview at SBT, JNU and no other communications in this regard will be entertained.
3. TA/DA will not be paid for appearing in interview.
